Mission, Vision Objectives & Core Values	<p><i>Mission</i> Our mission is to analyze Facebook ad campaign performance for GlobalShala's Superhero U event, identify underperforming campaigns, and provide data-driven recommendations to optimize marketing spend and maximize ROI.</p> <p><i>Vision Objectives</i> To establish a strong reputation for providing actionable insights that significantly impact marketing efficiency and effectiveness, positioning our team as crucial contributors to GlobalShala's strategic marketing decisions.</p> <p><i>Core Values</i> 1. Data-Driven Decision Making: We base our recommendations on thorough analysis and evidence. 2. Collaboration: We work together effectively, leveraging each team member's strengths to achieve our common goals. 3. Integrity: We ensure that our analysis is honest, transparent, and free from bias. 4. Accountability: We take ownership of our tasks and deliver high-quality work within agreed timelines.</p>

Internal Checks, Balances, and Reviews

I. Internal Checks and Balances:

- 1.1 Peer Review: Each team member's work will be reviewed by at least one other person to ensure accuracy and completeness.
- 1.2 Weekly Progress Check-Ins: Regular check-ins will be conducted every week to assess progress, address challenges, and adjust plans as necessary.
- 1.3 Final Review: Before submission, the final report will be thoroughly reviewed by all team members to ensure it meets our quality standards and objectives.

II. Expectations for Individual Team Members:

- 2.1 Specific Expectations: Each team member is expected to complete their assigned tasks on time, contribute to discussions, and support their sub-team.
- 2.2 Collaboration: Members should actively participate in meetings, provide constructive feedback, and help resolve any issues that arise.
- 2.3 Accountability: Each member is accountable for their work quality and must seek help or clarification if they encounter challenges.

III. Team Circle Meeting (TCM)

Frequency: Full team remote check-ins will occur weekly, every Wednesday and Friday at 11 PM PHT via Microsoft teams or google meet.

Agenda:

- 3.1 Weekly Deliverables Discussion: Review and discuss the specific tasks and deliverables for the upcoming week.
- 3.2 Task Allocation: Collaboratively decide on the division of responsibilities among team members for efficient task execution.
- 3.3 Strategic Planning: Brainstorm and strategize on the best approaches and methodologies for accomplishing the week's goals.
- 3.4 Feedback and Collaboration: Share insights, provide feedback on past tasks, and foster a collaborative environment for optimal teamwork.

IV. Measuring Success

- 4.1 Team Success: Success will be measured by the timely completion of the project, the quality of the final report, and the effectiveness of the presentation.
- 4.2 Individual Success: Success for each team member will be measured by their adherence to the SMART goals, quality of work, and contribution to team discussions and problem-solving.
- 4.3 Review Process: At the end of each major milestone (data collection, analysis, reporting, and presentation), there will be a brief review session where the team discusses what went well and what could be improved.

Operations:

- **Assignments**
- **Meetings**
- **Communication Guidelines**
- **Status Updates**
- **Deadlines**

I. Assignments

1.1 Reviewing the Syllabus: [Mercy and Shashank] will thoroughly review the project syllabus to ensure all requirements and expectations are understood.

1.2 Creating the Project Plan: [Edmar and Adeyemi] will develop a comprehensive project plan, outlining the key tasks, timelines, and responsibilities.

1.3 Drafting the Project Report: [Peter and Hamd] will draft the project report, ensuring it includes all necessary analysis, findings, and recommendations.
